The Chairperson
Constitutional Amendment Committee
IAOMR

Respected Sir

In the 2nd EC Meeting of the IAOMR Karnataka State Branch held on 5-04-24 at VS Dental College, the following points were discussed and it was decided to put forward the following suggestions to be incorporated in the proposed Constitutional amendments

1. President / Secretary of the State Branch should be Ex-officio members of the EC of Head Office as this would help in coordination of the state branches and head office
2. Wherever there is a state branch it is desired that UG programs planned should be in consultation with the state branch.
3. A part of the Membership amount of the members of the respective states paid to the head office (paid at the time of becoming members of IAOMR) should be transferred to the state branch.
4. In chapter 5 of state byelaws sl.2(B) the clause mentioning state branch shall transfer every year an amount of 15,000 or 50% of surplus amount whichever is less to IAOMR(HO) **needs to be relooked into** as all the state branches are in their nascent stage and do not have the type of income where they would be able to transfer this amount after taking into account the auditor fees and other office expenses of the state branch.
5. To provide sitting charges to the members of the Executive Committee of both State and HO.
6. The nomination fees paid by the members contesting for the various posts for both state and HO may be reconsidered.

This is for your kind perusal and needful

Thanking you

Yours Sincerely

requested the HGS from IAOMR Head Office to provide the state chapter with a URL and also ISSN number to our Journal, so that we can encourage more and more people to send manuscripts. It was decided that the reviewers of the Manuscript will be provided with E-Certificates. The Reviewers will be all the HODs from colleges across Karnataka and Senior members will be on the advisory board. The Newsletter will be coming out separately mentioning about the activities of the academy on a Bi-annual basis.

6. Scientific activities for April – September 2024

Secretary Dr. Ramnarayan did make a mention the upcoming activities from the state branch which will include CDE programmes in both Online and Offline modes and also a Hands-on on Cochrane Database Analysis by Dr. Sumanth is planned. A series of oration lectures are already in progress celebrating the birth Centenary of Dr. B.K. Venkatraman and will conclude in October 2024 at GDCRI, Bangalore.

7. Any other matter

Curriculum amendments were discussed, to which Dr. Ramamurthy mentioned that Dr. C.V. Mohan had made some recommendations. HGS Dr. Shivaprasad mentioned that a committee is being formed with the HODs and Principals of all colleges from the country who will come together and give their recommendations.

Dr. Shivu proposed that President of every state branch should be an Ex-officio member in the EC Meetings of the Head office which would be helpful in the coordination. Dr. Ramamurthy mentioned that any EC member from the state can represent in the EC meetings held by the Head Office. To which Dr. Ashok mentioned that these recommendations should be incorporated in the amendments that are being made in the constitution of the head office.

Dr. Ramnarayan mentioned that no two programmes can be done in the same state as this would dilute the participation.

It was suggested to the Secretary Dr. Ramnarayan that he should enlist all these discussions made and give a recommendation to the head office officially so that the HO can take into account and amend the constitution accordingly.

The President asked Dr. Sowmya the Organising Secretary of the 3rd IAOMR- Karnataka state branch UG Conference, as to how many registrations were there for the UG conference to which Dr. Sowmya replied that a total of 420 registrants participated. The President Dr. Asha Iyengar appreciated the Organising Committee for putting up a good show.
