Secretary's Message

Dear Student Delegates and Faculty

It is with great pleasure and pride that I welcome you all to the 4th IAOMR Karnataka State Undergraduate Conference. This prestigious event stands as a beacon of knowledge, innovation, and collaboration for aspiring dental professionals across our state and outside.

The conference offers a unique platform for our undergraduate students to showcase their academic excellence, research skills, and clinical expertise. It is heartening to witness the enthusiasm and dedication of our young dentists as they engage in scientific discussions, share new ideas, and learn from esteemed experts in the field of oral medicine and radiology.

I encourage all participants to make the most of this opportunity—not only to present their work but also to network, learn, and grow. Together, we can foster a culture of continuous learning and contribute meaningfully to the advancement of dental sciences.

It is for the first time that the conference is being held outside Bengaluru and also the first in Kalyana Karnataka. I extend my heartfelt gratitude to the organizing committee and faculty members of Navodaya Dental College and Hospital, Raichur who have worked tirelessly to make this event a grand success. Your commitment to excellence is truly inspiring.

Wishing everyone a productive, enlightening, and memorable conference.
